

Sample Floor Care Task Schedule

Customized to Client's Needs

A Clean Sweep of Floor Care Services:

We customize our floor cleaning services to meet your needs. We take into consideration your schedule and building design when determining a floor care system. This includes everything from the best time for our team to enter and begin your floor care to a coordinated floor care schedule based on your building's layout and design. Below are a sample floor care services we recommend:

MONTHLY

- Buff tile floors

SEMI-ANNUALLY

- Strip and wax tile floors
- Steam clean carpet and rugs
